# Group Activities & Optional Events

Ocean Edge Resort & Golf Club is the perfect venue for you and your colleagues to be productive and successful. To ensure fun and relaxation, don't forget to take part in the luxury amenities of a first-class resort.

What would a Cape Cod meeting be without a little golf? Play on a private Nicklaus Design golf course. Non-golfers can stay busy and happy with beaches, tennis, pools and fitness centers.

## Thursday June 28

### Spouse/Guest Event

#### Historic Tour of the Ocean Edge Resort and Golf Club

9-11 a.m.

No charge

Join us for a historic tour of Ocean Edge Resort and Golf Club, ending at the mansion's lush front lawn for croquet and refreshments.

### Golf Tournament

1 p.m.

\$135 (includes box lunch)

This 18-hole Nicklaus Design golf course debuted in May 2008. The design remodeled and reshaped all greens and holes, with the most significant changes being increased length, better playability and more challenges on the course. The greens on the par-72 course are now customized to USGA specifications, position the property as a premier golf destination, and offer a new golfing experience for all levels of play.

The course is one of the region's few private fairways, available for play exclusively by Ocean Edge club members and resort guests. All rates include cart, yardage book and range usage prior to play. Junior golfers ages 9 and younger play free when accompanied by an adult.

### Whale Watcher Cruise

2:30-6:30 p.m.

(\$75)

Cape Cod Whale Watching has become the highlight of a Massachusetts visit. Not only will there be an onboard naturalist to narrate your adventure, they also are available to answer any questions you might have.

To enhance your experience we provide you with our "Explorer's Journal." The journal serves to document your adventure as well as to stimulate your imagination. It doesn't stop there; you can further test your knowledge by participating in a weekly crossword puzzle contest.

## Friday June 29

### Deep Sea Fishing

1-5 p.m.

(\$150)

Welcome aboard the Aquarius for an exciting day of fishing you will never forget! Fish the waters of Cape Cod, arguably the most trophy-rich fishing grounds on the East Coast. Relax in total comfort as you fish for striped bass, bluefish, giant bluefin tuna and sharks.

Aquarius is an ultramodern, 35-foot, sport fisherman, custom-designed and built specifically for the waters off Cape Cod. All tackle and gear will be provided. Come prepared with a sweatshirt/jacket, soft-soled shoes, sunscreen, hat and sunglasses.

### Guided Bike Tour

#### The Chocolate Sparrow

1-5 p.m.

(\$65)

A little exercise! A lot of chocolate! Bike to Orleans! Hop on the trail west toward Orleans. You'll thrill at biking through a couple of short tunnels (yodeling required when zooming through).

Along the way, you'll see a sign for Cobies, about 2 miles from Ocean Edge, with a special bike trail entrance. You may want to stop here for a picnic-style lobster roll, hot dog or ice cream.

After a scenic wooded bit, you'll pass Nickerson State Park and nearby salt water marshes (photo op!), finally ending in charming Orleans. As you reach Orleans Center, The Chocolate Sparrow appears on the right. After this almost 5-mile trip, you deserve a Hot Chocolate Sparrow espresso, homemade fudge, or ice cream. Poke around Orleans Center, and stop in the baseball store, CVS pharmacy (more sunscreen maybe?) and several cute shops.
