

Administrators, Your Time is Golden Let Us Save You Some

Your complimentary administrator membership gives you access to time and money-saving perks that help you do your job.

The CPE Tracker automatically records CPE credit hours for FICPA courses, and you can add credits earned from other providers. Admins can maintain records of staff CPE totals for license renewal.

Admins can also make office-wide CPE registrations for staff to save time and take advantage of special group discounts when registering five to seven staff members for the same event.

OneSource is a comprehensive job and talent discovery tool for CPAs and businesses. Post career opportunities at your office and reach job seekers among our 19,500+ members. Learn more at www.ficpa.org/OneSource!

FICPA Connect is the social platform that's exclusive to our members. Tap the knowledge of Florida's biggest CPA network and interact, learn and connect with professionals around the state. Learn more at www.ficpa.org/Connect.
