Cross, Fernandez & Riley, LLP Makes Top 100 Best Companies List

ORLANDO, Fla., July 28, 2014 – Cross, Fernandez & Riley, LLP is pleased to announce that it has been named one of Florida's Best Companies To Work For by *Florida Trend* magazine. C/F/R was ranked 3rd in the mid-sized company category. This is the fifth consecutive year that the firm has made the list.

The sixth annual Best Companies list appears in the August issue of *Florida Trend* magazine. One-hundred companies are ranked in small, medium and large employer categories.

To participate, companies or government entities had to employ at least 15 workers in Florida and have been in operation at least one year. Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking. Best Companies Group managed the registration, survey and analysis and determined the final rankings.

The *Best Companies To Work For In Florida* program was created by *Florida Trend* and Best Companies Group and is endorsed by the HR Florida State Council.

"The top companies seek high energy employees who vigorously accept the organization's core values," says *Florida Trend* Publisher Andy Corty. "The companies that attract these great employees are the same companies that show growth even in a challenging business environment. It's our pleasure to recognize them and encourage others to build Florida's competitive advantage."
