JAMES MOORE WELCOMES FIVE NEW HIRES

Gainesville, FL (September 18, 2014) – James Moore, Certified Public Accountants and Consultants (James Moore) is pleased to welcome Anila Kalter, Debra Martinez, Steven Parisi, Nikki Richey, and Donna Shelton to the firm.

Kalter has been hired as a Data Entry Assistant in the Accounting and Controllershship Services department. Prior to joining the firm, Kalter has worked as an Accountant for a lighting distribution company in Daytona Beach, Florida and a Financial Manager for a global assembly and fastening company in Albania. Kalter received her bachelor's degree in Business with a concentration in Accounting from the University of Tirana, Tirana, Albania. As a Data Entry Assistant, Kalter will be responsible for updating and maintaining database information for client payables and financial reports.

Martinez has been hired as a Senior Consultant in the Accounting and Controllershship Services department. Martinez has more than 25 years of experience as a Bookkeeper. Prior to joining the firm, Martinez served as an Accountant and Bookkeeper for a church in Gainesville, Florida. Martinez received her bachelor's degree in Accounting from Florida International University, Miami, Florida. As a Senior Consultant, Martinez will be responsible for advanced bookkeeping and accounting services for the firm's business and nonprofit clients.

Parisi has been hired as a Technology Solutions Consultant. Prior to joining the firm, Parisi worked as a contractor under several government contracts providing project management, inventory management, office staff supervision, and information technology support to branches of the U.S. Navy for the past 14 years. As a Technology Solutions Consultant working in the Information Systems Consulting department, Parisi will work directly with clients to resolve day to day issues and ensure maximum productivity through quick and efficient problem resolution.

Richey has been hired as a Data Entry Assistant in the Accounting and Controllershship Services department. Prior to joining the firm, Richey worked as a Seasonal Tax Preparer for a local certified public accounting firm in Gainesville, Florida. Richey received her bachelor's degree in Criminal Justice from Rasmussen College, Ocala, Florida. As a Data Entry Assistant, Richey will be responsible for updating and maintaining database information for client payables and financial reports.

Shelton has been hired as a Senior Consultant in the Accounting and Controllershship Services department. Shelton has more than 15 years of accounting experience including corporate accounting and tax preparation. Prior to joining the firm, Shelton served as an Assistant Controller for a global retail and shopper marketing company in Des Moines, Iowa where she was responsible for managing and analyzing monthly multi-million dollar revenue produced by the company's billing team, forecasting projected revenue trends, and supervising all aspects of monthly financial closings. Shelton received her bachelor's degree in Accounting from the University of Northern Iowa, Cedar Falls, Iowa. As a Senior Consultant, Shelton will be responsible for advanced bookkeeping and accounting services for the firm's business and nonprofit clients.

James Moore, founded in 1964, is a regional firm with offices in Daytona Beach, Gainesville and Tallahassee. The firm specializes in providing tax, accounting, wealth management and consulting services.
