### **JAMES MOORE WELCOMES EIGHT NEW HIRES**

**Gainesville, FL (August 19, 2014) – James Moore, Certified Public Accountants and Consultants (James Moore)** is pleased to welcome Tyler Courson, Angela Cuellar, Stacy Dreher, Kathleen Juezan, Samantha Lussier, Eileen Maxwell, Daniel Roccanti, and Josh Van Zandt to the firm.

**Courson** has been hired as a Staff Accountant. Prior to joining the firm, Courson served as an Intern for an accounting firm in Starke, Florida editing income statements and balance sheets, and creating and presenting financial worksheets for clients. Courson received a Bachelor of Science in Accounting from Oglethorpe University, Atlanta, Georgia. As a Staff Accountant, Courson will provide a range of services including auditing and tax work.

**Cuellar**, a CPA, CMA and CFE, has re-joined the firm as a Senior Consultant in the Accounting and Controllershship Services department. Cuellar previously worked with the firm as a Seasonal Tax Preparer. Prior to joining the firm, she served as a Financial Planning and Analysis Manager for a large independent midstream energy company where she prepared cash flow forecasts through collaborative efforts with the finance and capital team, as well as monthly and quarterly presentations to the executive team. Cuellar received a Master in Professional Accounting and a Bachelor of Business Administration from The University of Texas at Austin. As a Senior Consultant, Cuellar will be responsible for advanced bookkeeping and accounting services for the firm's business and non-profit clients.

**Dreher** was recently hired as the firm's Marketing Manager. Prior to joining the firm, Dreher served as the marketing manager for a nationwide law firm located in Minneapolis, Minnesota where she was responsible for driving business development, overseeing corporate branding and communication, implementing all market research and sales strategies, and developing and executing a digital marketing strategy. Dreher received a Bachelor of Science in Biology from Bethel University, St. Paul, Minnesota. As the firm's Marketing Manager, Dreher will be responsible for developing and executing all marketing and business development related initiatives, overseeing all digital marketing strategies, and maintaining brand consistency.

**Juezan** was recently hired as a Staff Accountant. Prior to joining the firm, Juezan interned for a global accounting firm located in West Palm Beach, Florida preparing tangible personal property tax returns, extensions, and basic tax returns for businesses, trusts and non-profit organizations. Juezan received a Master of Accounting and a Bachelor of Science in Accounting from the University of Florida. As a Staff Accountant, Juezan will provide a range of services including auditing and tax work.

**Lussier** recently re-joined the firm as a Staff Accountant after previously working for the firm as a Summer Intern. Prior to joining the firm, she interned at a global accounting company in Tampa, Florida, and helped administer payroll for a large dairy farm located in Hawthorne, Florida. Lussier received a Master of Accounting and a Bachelor of Science in Accounting from the University of Florida. As a Staff Accountant, Lussier will provide a range of services including auditing and tax work.

**Maxwell** has been hired as a Staff Accountant. Prior to joining the firm, Maxwell served as an Accounting Instructor for a regional technical college and an Accounting Manager for a construction company in Orlando, Florida. She also has an array of marketing and sales experience within the telecommunications industry. Maxwell received a Master in Accountancy from Stetson University, and a Bachelor of Science in Accounting from Florida Southern College. As a Staff Accountant, Maxwell will provide a range of services including auditing and tax work.

**Roccanti** was recently hired as a Staff Accountant. Prior to joining the firm, Roccanti served as an Accountant for a CPA firm in Tallahassee, Florida performing bank account reconciliations, maintaining weekly expense reports, and performing accounting general ledger reconciliations. He also gained IT experience working as an IT Support Analyst for the Florida House of Representatives and an IT Technician for a company in Tallahassee, Florida. Roccanti received a Bachelor of Science in Accounting and Finance from Florida State University. As a Staff Accountant, Roccanti will provide a range of services including auditing and tax work.

**Van Zandt** was recently hired as a Staff Accountant. Prior to joining the firm, Van Zandt provided accounting services such as reconciling accounting records as well as preparing financial reports and financial statements for several companies located in Cedarville, Ohio. Van Zandt received a Bachelor of Arts in Accounting from Cedarville University, Cedarville, Ohio. As a Staff Accountant, Van Zandt will provide a range of services including auditing and tax work.

**James Moore**, founded in 1964, is a regional firm with offices in Daytona Beach, Gainesville and Tallahassee. The firm specializes in providing tax, accounting, wealth management and consulting services.
