

## **MBAF'S FRANK GONZALEZ ELECTED AS TREASURER OF ORANGE BOWL COMMITTEE**

**MIAMI – April XX, 2015** – Frank Gonzalez, CPA/CFF, principal-in-charge of the Audit Department at nationally recognized public accounting firm [MBAF](#), was elected to the 2015-2016 Executive Committee of the Orange Bowl and will serve as its treasurer.

The [Orange Bowl](#) is a 363-member, primarily-volunteer non-profit sports organization that promotes and serves the South Florida community. The Orange Bowl features a year-round schedule of events culminating with the 2015-16 College Football Playoff Semifinal at the Capital One Orange Bowl on December 31, 2015.

“Frank is a noted leader both in the firm and in the South Florida community,” said Tony Argiz, Chairman and CEO of MBAF. “I congratulate him on this new role and know he will approach his role as treasurer with the same enthusiasm and dedication he shows his clients on a daily basis.”

In his role as treasurer, Frank will be responsible for the overall financial operations of the committee including finance and investment commitments, and policies and procedures followed by the committee's internal management. He will also administer the financial components of the committee's community outreach programs.

“Similar to how a sports team works together toward a common goal, MBAF believes that being active in the community is an important way to engage and build inspired and collaborative teams,” said Gonzalez. “I am honored to be serving on the Orange Bowl Executive Committee and look forward to a very successful year.”

As principal-in-charge of the Audit Department, Gonzalez has full oversight of the firm's audit practice in all offices, including the execution of processes and quality control, maintaining the department's standards and ensuring the use of best practices among his team. He also leads the firm's Financial Institutions and SEC practices. Gonzalez provides audit, business consulting, litigation support and SEC compliance services to South Florida organizations in a wide range of industries, including real estate, financial institutions (community banking, international banking, investment funds, broker dealers) manufacturing, technology and telecommunications.
