About..

The Event

The FICPA Educational Foundation Annual Golf Classic raises scholarship funds for Florida fourth and fifth-year accounting students. With the help of our sponsors, the Annual Golf Classic has a goal of raising \$20,000 for deserving accounting students across the state.

The 10th Annual Golf Classic will take place at *Feather Sound Country Club*, and will be held in conjunction with the FICPA Florida Accounting & Business Expo (FABexpo) in Tampa Bay, providing an excellent opportunity for CPAs, vendors, clients and friends to gather for fun and camaraderie while investing in the future of the CPA profession.

The FICPA Educational Foundation

The FICPA Educational Foundation is a charitable nonprofit organization that works to ensure the integrity and success of the accounting profession in Florida. Founded in 1959 as the R. Warner Ring Educational Foundation, it has distributed more than \$2 million to colleges and accounting students across the state. Last year, the Foundation gave out \$313,000 to 84 deserving students.

Sponsorship

The 10th Annual Golf Classic provides unique sponsorship opportunities to help increase visibility and exposure of company products and services to a select group of nearly 100 of Florida's top CPA professionals and executives. Supporters of this event will directly affect and protect the future of the CPA profession, and reach professional men and women whose income, education, leadership and lifestyle make them valuable potential customers.

The Golf Course

Feather Sound Country Club is a private golf course conveniently located in Central Pinellas County with easy accessibility from Hillsborough County. In more ways than one, the golf course at Feather Sound is not typical. With an open, airy, natural feel, you will never feel enclosed by houses and condos. Designed by Joe Lee, the par 72 course at Feather Sound plays like one of the longest 6,900 yard courses you'll ever experience. The dedicated golfer will appreciate the challenges that are offered in the well-guarded, elevated greens at Feather Sound. It's a course that can challenge and be enjoyed by players of all skill levels.

Visit the course's website at www.feathersoundcc.com to obtain directions or get a head start on studying the fairways.
