The 11th Annual Family Retreat is a unique vacation getaway and an extraordinary golf tournament in paradise, aka Key Largo. Just 45 minutes from Miami, Tournament players will golf the gorgeous Hammock course Friday, July 26 at 8:30 a.m. Players can stay the night or stay the weekend to enjoy even more world-class golf and relaxation at affordable prices.

The Family Retreat’s mission is to promote the CPA profession; increase awareness and support for the FICPA Scholarship Foundation amid an island atmosphere where attendees and families can unwind and get to know each other. Through generous patrons and sponsors, the Retreat has raised more than $100,000, and funded two $25,000 endowments - the George A. Gulisano and Jason A. Chorlins Endowment Funds - to help deserving accounting students in Florida.

Nestled in one of the United States’ most natural and beautiful settings, the ultra-private 2500-acre Resort at Ocean Reef Club in Key Largo boasts five-star hotel accommodations, dining and more.

Join us to experience three championship golf courses; luxurious facilities including a spa and world-class 150-slip marina; a Har-Tru tennis facility; numerous restaurants and bars; watersports galore; kiddies’ beach; children’s and adult pools; beach volleyball; spectacular fishing and snorkeling; exclusive shopping and more.

Stay a day or the entire weekend! Visit ficpa.org/RetreatGolf for more information and reservations.
The Hammock Course

Tournament golfers will be playing their best shots on the Hammock Course. Partially situated in a mangrove with tropical hardwood hammock, it contains many rare and endangered species of plants for players to observe and enjoy. With fairways meandering through this natural hammock and water vistas on 14 of the 18 holes, concentration becomes the key to a good round. This par-71 course is 6,200 yards and offers a magnificent collection of memorable holes.

Stay & Play: The Dolphin Course

Stay an extra night and play Ocean Reef Club’s second world-class course, the Dolphin. It features fairways winding past tamarind, coconut palms and mahogany trees, as well as other exotic landscaping. Glittering water hazards delight the eye and call for accuracy. The generous fairways of this course allow much more margin for error off the tee. The real test on this 6,500-yard, par-71 course arrives when you get to the greens.

As a registered golfer or sponsor you will receive exclusive access to the golfing facilities, including the locker room, free breakfast and coffee, tickets to the Awards Luncheon and the opportunity to win a 3-day/2-night stay at Ocean Reef Club.
18-hole, four-person golf scramble format. Each player hits a shot. The best shot is selected each time until the ball is holed. This allows for golfers of all skill levels to enjoy this beautiful golf course.
