LEARNING LABS

This is an inspiration-led conversational-formatted talk about ideas that fuel the mind. Attendees receive 4 CPE credits to attend the entirety of the Learning Lab session.

When preparing for your talk, note that visuals are not included but your company logo, booth #, topic and contact information will be on the screen.

INNOVATION SESSIONS

Showcase your knowledge and brand in front of our most forward-thinking members interested in innovating their practice. Leverage this time to provide products or technology demos or promote the value of your business.

PRESENTATION SESSIONS

Educational presentation sessions are held congruently with other sponsored sessions throughout the conference. This is a great opportunity to inform attendees of the importance of what you do for your clients from a high-level and generalized perspective.

Presentations must be:

- Approved prior to any sponsorship contract and payment processing.
- Educational in nature and qualify for CPE Credit.
- Submitted one month prior to event date for technical review.
- Devoid of any marketing and sales perspectives or references.
- Brief embedded videos permitted. Limit to under 30 seconds.
- Sources that include statistical information must be documented and referenced by sources.
