

✓ WHAT IS THE CPA/PAC?

The Florida CPA/PAC is a bipartisan Political Action Committee that supports pro-CPA, pro-business candidates for office. It's made up of **four** independent entities— CPA/PAC North, Central, South, and Main—all working to protect and advance the CPA profession in Florida.

✓ WHY IT MATTERS?

The Florida CPA/PAC is your voice in the political process. It ensures CPAs have a seat at the table by helping elect lawmakers who understand and support the profession. Without it, the CPA license and professional standards face real risks.

✓ HOW IT WORKS

Each CPA/PAC is governed by a nonpartisan board of local FICPA members. Contributions are strategically made to candidates based on:

- ✓ Candidate surveys and CPA recommendations
- ✓ In-depth interviews conducted by the FICPA Governmental Affairs team
- ✓ Voter and district data
